## Offender Solutions® Classes

Offender Solutions® has created the blue print for working with offenders. We have a strong theoretical foundation using the most effective intervention – cognitive restructuring.

Offender Solutions® Inc. is an evidence based home study program for offenders. We believe that people are individually responsible for their own behaviors; however we also believe that often time's offenders make these choices based on misconceptions and/or inadequate information. We at Offender Solutions® Inc. deal with the issues from the offender's point of view. We are an outcome oriented program, that is trusted, reliable, and self-paced.

We offer you two solutions to utilize with all of your offenders:

**Online programs**

OR
